

to decide I called up I telen a consent to the comment chown back to V. Pre free for c. care Itald her to ask him if he all the new formore - Harlit with 

Sun Nite 12/15/29
Dearest Daddy:

M. E. Church - They had as their
apecial queste - the Hi X Boye 4
Their leader 315 me of them is
the Jat Mr Slick
When I got home here foundalise
Four laking to andy 215 his girl
miss Scott theyd both alice home
From accadia to and a gass tell Galdy he aends his Plove fore, he didn't know until alice Re Rehool, 3nd C. E. Big. meetin at 3. C. E. this Eve. + Ch. again this Eve I think that a plenty for one

" I met Mr Phippe recently on She and of course first thing as usual he inquired for you how was Rus prized when I till where you wore, "us sent his love or some thing to you "d said tell him I don't like him slipping away like that without saying any about it" Etc.

Jues. a.M.

Jues. a.M. Fordy furt got chickense fed " faller I write a little must go out " water yard soprior off pourch & side-walk " water the tack content of some where that means Extra mork-tidy who a bit " I've got so much to do I'd don't know whether I'm a fortor horse back. Police got Lewie " fill " another by who has been steering there for last 10 dla or more, for breaking a lock " ptealing 2 automobiles, paper didn't give this hame they were to be taken got how they are missing " I have its them I purished and of ptoper or hope they will be purished and of ptoper cooking any of your own medis get if bot why hot your own I don't want you getting a by things for sending for liches the will get the
